PROFESSIONAL EXPERIENCE

MinaLima Studios Ltd.

Graphic Designer • September 2019 - Present
London, U.K.

- Worked in conjunction with a design team to develop innovative concepts for graphic elements of a theme park
- Applied design principles, typography, color theory, and composition to all design assignments
- Utilized extensive prior knowledge and comprehensive research skills to create brand specific content
- Provided style guides based on Minalima design to our overseas clients

Film and Television Production

Graphic Designer • 2013 - 2019
Los Angeles, CA, Chicago, IL & London, UK

- Collaborated closely with prop masters, production designers, and set decorators to produce graphic elements dictated by the script and overall design
- Created compelling atmospheres through finely detailed and visually befitting prop and set dressing elements
- Produced historically accurate prop and set elements
- Developed rapport with multiple vendors for print and screen graphics in several cities in America and the UK

Independent Studio Services

Graphic Designer • Dec 2014 - Sept 2016
Los Angeles, CA, U.S.A.

- Designed and manufactured graphics-based props used in film, television, and commercials
- Presented thorough designs to industry prop masters
- Incorporated changes supplied by the clients in a timely and professional manner
- Reviewed designs and copy for errors before printing, assembly and delivery
- Experience with large format digital printers and plotters, sign graphics production and vinyl application

EDUCATION

DePaul University, Chicago, IL

College of Computing and Digital Media
BA in Digital Cinema Production • 2014
Graduated Magna Cum Laude
