## PROFESSIONAL EXPERIENCE

### Film and Television Production

Graphic Designer • 2013 – 2019, 2021 – present  
Los Angeles, CA, London, UK, & Chicago, IL

- Collaborated closely with prop masters, production designers, and set decorators to produce graphic elements dictated by the script and overall design
- Created compelling atmospheres through expertly designed, finely detailed, and visually befitting prop and set dressing elements
- Produced historically accurate prop and set elements
- Developed rapport with multiple vendors for print and screen graphics in several cities in America and the UK

### MinaLima Studios Ltd.

Graphic Designer • September 2019 – Present  
London, U.K.

- Worked in conjunction with a design team to develop innovative concepts for design of a theme park
- Applied design principles, typography, color theory, and composition to all design assignments
- Utilized extensive prior knowledge and comprehensive research skills to create brand specific content
- Provided style guides based on MinaLima design to our overseas clients

### Independent Studio Services

Graphic Designer • Dec 2014 – Sept 2016  
Los Angeles, CA, U.S.A.

- Designed and manufactured graphics-based props used in film, television, and commercials
- Presented thorough designs to industry prop masters
- Incorporated changes supplied by the clients in a timely and professional manner
- Reviewed designs and copy for errors before printing and delivery
- Experience with large format digital printers and plotters, sign graphics production and vinyl application
