Experience

Film and Television Production | Graphic Designer

2013 - 2023

- Collaborates closely with prop masters, production designers, and set decorators to produce graphic elements dictated by the script and overall design
- Creates compelling atmospheres through expertly designed, finely detailed, and visually befitting prop and set dressing elements
- Produces historically accurate prop and set dressing elements
- Developed rapport with multiple vendors for print and screen graphics
- Handles multiple projects while still meeting tight deadlines

MinaLima Studio Ltd. | Graphic Designer

2019 - 2020

- Collaborated with a team to create innovative concepts for a Wizarding World theme park design
- Applied design principles to all assignments, utilizing comprehensive research
- Created brand-specific content and provided style guides to overseas clients
- Produced visual text and imagery for internal clients, maintaining MinaLima and Wizarding World branding standards
- Conceptualized, designed, revised, and completed complex period and fantasy graphics, illustrations, and mock-ups
- Handled multiple projects while still meeting tight deadlines
- Coordinated special requests with the business development and presentation design teams

Independent Studio Services | Graphic Designer

2014 - 2016

- Designed and manufactured graphics-based props for film, television shows, and commercials
- Presented designs to clients; incorporated client changes in a timely manner
- Reviewed designs and copy for errors; ensured quality printing and delivery
- Provided client service orientation, communication, and proofreading skills
- Juggled multiple projects while meeting tight deadlines
